

BIODROGA novelties

1) MEDIC SKIN CARE – When the skin needs help

An innovative skin care range which satisfies the needs of the *most difficult customers*. People with very sensitive and /or allergy prone skin want to look good and young too. In today's day and age, skin imperfections are no longer acceptable.

Medic Skin Care has a very special formulation which is

- Emulsifier free
- Free from colorants
- Free from preservatives
- Free from fragrances and aromatic substances
- In addition it is Anti ageing

DMS® derma membrane system- an innovative emulsion similar to the epidermal layers of the skin

Power Vitamin C concentrate to boost the skin's functions completes the range

Medic skin care is available in both retail products and cabinet sizes for you to offer special treatments to your customers. The products in this range include a LIP & Eye Cream, Intensive Moisturizing Concentrate and a 24hr Care. **Power Vitamin C concentrate**

2) Age Performance - Skin Care - Beauty & Charisma at any Age

Designed for the mature client , **Age Performance** answers the needs of the mature woman who wants to look her best despite the passing years.

True to their reputation of being 'superlative' skin care products, **Age Performance Formula**, truly work on lines and wrinkles that are the result of passing time.

The serum Facial Restoring Fluid is super functional, light in texture and can go around the delicate eye and lip areas.

The line is compact and consists of a Day Care, Night Care, Serum and Eye & Lip Care.

All have light comforting textures

- Visibly reduces signs of skin aging
- Enhances skin density, elasticity and resilience
- Reduces fine lines and wrinkles
- Fortifies the skins natural defenses
- Perfects lipid & moisture levels
